

Pattern: Wood Shiplap #525

Key Features

The natural wood grain on this Shiplap design is so realistic you'll wonder if you're going to get a splinter. The natural grain, random mild knotting and 1/2" overlap give this texture the authentic look and feel of wood plank siding.

Each plank is 6" tall and has an overlap of 1/2".

Available in sizes up to 11' 6" wide by 8' tall.
